Feed Cover Photos

Our new cover photos allow our feed posts to be much more dynamic and impactful. All new feed posts will automatically use the first image attached as a cover photo for the post. With these new images, feeds become much more engaging and allow you to connect with your users in ways that weren't previously possible.

Adding an image as the cover photo is easy

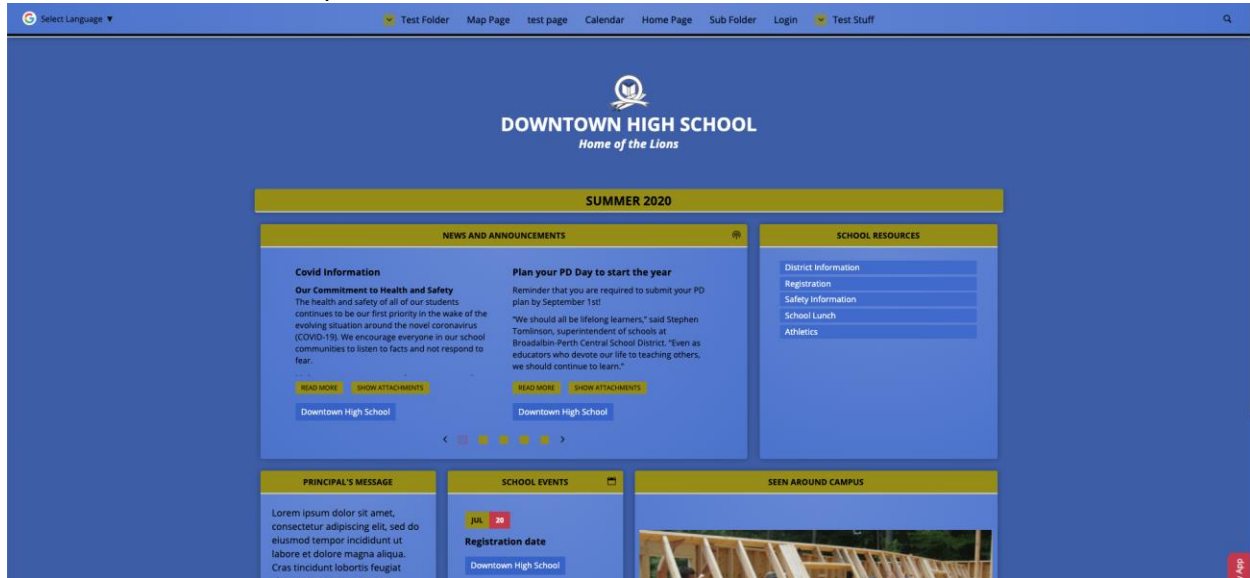

And it enhances the experience for everyone who sees it

Covid Information

Our Commitment to Health and Safety

The health and safety of all of our students continues to be our first priority in the wake of the evolving situation around the novel coronavirus (COVID-19). We encourage everyone in our school communities to listen to facts and not respond to fear.

It's important we come together as a community and support one another as neighbors during this time. COVID-19 is not more likely found in any one race or nationality, and we must each model inclusion and actively work to combat bias.

"We should all be lifelong learners," said Stephen Tomlinson, superintendent of schools at Broadalbin-Perth Central School District. "Even as educators who devote our life to teaching others, we should continue to learn."

Research shows that teacher quality is the single most powerful influence on a student's achievement. According to NYSED, "It is essential to ensure that teachers are provided with ongoing, high quality professional development to sustain and enhance their practice."
