NYC SCHOOLS ACCOUNT

Parents and Guardians: We've made it easier to sign up for a [NYC Schools Account \(NYCSA\)](#). Setting up a basic account will allow you to get emergency notifications from the [NYC Department of Education](#). You can create a basic account online from any computer, phone, or tablet. All you need to do is:

- Go to <https://mystudent.nyc/saa/signup>
- Set up the account by: Entering your name and email address, creating a password, and answering a few brief security questions so you can reset the password if you forget it.

After you create your account, you will need to verify your identity and your relationship to that student. You can do that by contacting our [Parent Coordinator](#). Once you verify your identity, you will be able to see additional information, such as your child's grades, test scores, and attendance.
